COMING BACK.

INFLUX FROM
CANTON.

IMPENDING TROUBLE?

Apart from the fact that the streets are strangely but pleasantly more quiet and that idlers, if there remain any, do not now burden with their presence Statue Square and other public places, Hongkong to-day presents no more different appearance than it has done since the strike began and the colour of khaki sprang very much into prominence.

No further developments regarding the local strike situation have taken place but a feature of some importance is the influx into the Colony which has taken place during the last 36 hours. Two thousand returned from Canton yesterday. Naval authorities report everything quiet in Canton and decline to make any statement with regard to rumours of approaching civil war between the Red and anti-Red factions.

The increase in the numbers returning from Canton to Hongkong is significant, however, particularly as river steamers arriving to-day report that restrictive measures are in operation at Canton with regard to people wishing to leave. The only sampans that appear to be allowed to convey passengers to the boats are those flying a distinctive flag the significance of which is not quite apparent. Officers from the boats are not being allowed to land in Canton.

There has been a distinct falling off in the numbers leaving Hongkong for Canton, steamers on yesterday and to-day's trips taking about a third of what they have been during the past week or fortnight.

REGISTRATION?

The question being asked by many in the Colony is "what measures are being taken to ensure against undesirable and useless idlers from returning from the Colony?" Others go further and ask why all returning to Hongkong with the avowed intention of working should not be registered and their thumb prints taken in order that their movements could be traced.

With regard to the former question the Hongkong police are kept informed as to the character of the people returning and from every boat that comes in, those considered in any way doubtful are taken direct to the Central police station and dealt with.

With regard to general registration a "China Mail" representative made enquiries as to the view of the Government and quoted the case of the Philippines where every resident has to have in his possession a schedule relating to himself and his position. His attention was directed to the fact that on an average something like 5,000 Chinese came into Hongkong daily by steamer, junk and rail or merely passing over the border on foot. The position of Hongkong was different from that of Manila where a supervision of ocean-going vessels was sufficient. Such supervision was already in existence in Hongkong but registration of every person, in some cases of people spending but a few hours in business here was impracticable and little useful purpose would be served. An enormous staff would be entailed by any such scheme.

STOLEN FIREWOOD.

At the Central Magistracy this morning, Mr. McElderry imposed fines of \$5 or one week's hard labour on six women who were arrested by the police yesterday afternoon as they were leaving a plantation below Mount Kellett with 333 cattie's of wood.

Other gangs of coolies had been busy on the hillside above Wongneichong village where extensive damages had been done by felling about 400 trees. A European police sergeant visited the place at 10 o'clock last night on hearing the sound of hatchets and arrested two men. They were charged this morning and sentenced to pay a fine of \$25 each, or one month's hard labour.

The Hongkong and Shanghai Bank declare an interim dividend of 43 per cent subject to deduction of income tax. This will be payable on and after Monday, July 10. This notification, also one relating to a temporary restriction of share transfers, are to be found in the advertisement columns.

POLICE RAID.

SEDITIONARY LITERATURE
HAUL.

OWNER JAILED.

In a police raid carried out at 9 p.m. on July 1 at 16D Wellington Street, first floor, a quantity of seditious literature was found in a writing desk. A Chinese seaman of the Admiral Oriental Line, who lived on the premises with his family, admitted that he was the owner of the desk and he was arrested along with another man.

When charged before Mr. S. B. B. McElderry at the Central Magistracy this morning, the second accused was discharged as there was no evidence against him. The case against the principal accused was proceeded with, Mr. J. Gordon Leask appearing for the defence.

After hearing evidence, His Worship convicted the accused and sentenced him to six months' hard labour.

ALL LIES.

A CHINESE AND HIS
MONEY.

A few more cases against Chinese for attempting to export more than \$5 from the Colony were heard before Mr. E. W. Hamilton at the Kowloon Magistracy this morning.

In one of the cases a Chinese was charged with being in possession of a railway ticket to Sumchun and a sum of \$7.60 in Chinese currency. The accused said that he wanted to go to Taipei to buy fresh fish and through a mistake on the part of the clerk he was given a ticket to Sumchun. When asked why he had all his money in Chinese currency, accused denied this and said that he carried Hongkong money. This statement was disproved by the evidence of Sergeant Hallam who was in charge of the search party.

His Worship said that the accused had perjured himself from beginning to end. Five dollars out of the money was confiscated, and the accused was in addition asked to pay a fine of \$25 or undergo one month's hard labour.

WORKERS WARNED.

A notice similar to that posted up at the Naval Yard workshops when employees commenced to absent themselves has been issued by the Headquarters of the China Command. It draws attention to the consequences which would attend any defection on their part. The notice is in the following terms:

"Any employee of the War Department who absents himself without leave for more than six consecutive days during the present strike will be considered to have left his employment and will be struck off the books."

"He will thereby forfeit all claim to gratuity in respect of his previous service, and pay for work performed since the last pay day."

"Should any employee offer himself for re-employment after discharge, he will, if his services are required, be taken on as a new hand, and at the lowest rate of pay for his trade or calling."

A COMPLAINT.

A householder in the Wongneichong district has complained to the "China Mail" that the "boys" who have left the employ of Government servants at the quarters there are returning in the absence of the male members of the householders and in elegant silk stockings and furnished with fans with which they idly cool themselves are from a safe distance attempting to make fun of the ladies who are carrying out household duties. The police have been informed of the matter as this is obviously a case where the special powers invested in them by the Governor's proclamation relating to deportation should be exercised.

PEAK SUSPECT.

Two Europeans effected the arrest of a Chinese on the Peak yesterday on suspicion that he was an emissary of the strikers. The man was handed over to the police and investigations are now proceeding. The fact that the man had in his possession a number of tickets for passengers by junk to a place outside the Colony leads the police to the belief that he visited the Peak for the purpose of either distributing or selling the tickets to the coolies there.

PRINCE CHICHIBU.

GOING TO ENGLAND FOR
EDUCATION.

ARRIVES AT PARIS.

(Havas Agency.)

Paris, July 7.
Prince Chichibu has arrived at Paris and will continue his journey to Calais and then to England attended by Viscount Ishii.

Hongkong's Send-Off.

H.R.H. Prince Chichibu, second son of H.I.M. the Emperor of Japan, arrived in Hongkong on June 15 on board the cruiser Izumo. The next day he embarked on the s.s. Hakosaki Maru for Europe.

A slight figure in white, with topes raised above his dark wavy hair and with the sun catching his slightly tinted glasses, waved energetically to them (those who had gone to see him off) from the Captain's look out and kept time with his topes to the singing of the national tunes by Japanese Boy Scouts—such was the main description by the "China Mail" at the time of the Prince's departure from Hongkong.

Prince Chichibu is 24 years of age and unlike his brother, the Prince Regent, has not done any travelling before. He is the first son of a Mikado to be educated outside of Japan and the telegram marks the stage prior to his arrival in Britain where he will acquire a knowledge of English and of European customs. He will be away from home for about two years and he may stay with an eminent British family in London, who are friends of the Japanese sovereign.

CITY DESTROYED.

32 ACRES OF BUILDINGS
GUTTED.

DEATH-ROLL UNKNOWN.

(Reuter's American Service.)

Bogota, July 7.
Thirty thousand bodies were found after the fire which started on July 4 and swept Manzanales, destroying thirty-two acres of buildings in the centre of the city.

The fire is now controlled but the total death-roll is unknown. All banks, business houses, hotels, the Bishop's Palace, and Municipal buildings were burned by the fire which started at a pharmacy.

OBITUARY.

MR. H. W. PETLEY.

The news of the death of Mr. H. W. Petley, of the Mains Department of the Hongkong Electric Co., Ltd., came as a great shock to his many friends some of whom were talking to him as late as 5.30 p.m. yesterday.

Mr. Petley had not been in the best of health for some considerable time but as a volunteer of some years standing he considered it his duty to mobilise together with his comrades and until the last he anticipated participating in yesterday's military and naval demonstration. He actually reported at Headquarters at the time appointed but owing to indisposition was exempted.

Death was due to heart failure. The late Mr. Petley, whose age was 40, had been with the Mains Department of the Electric Company for 20 years. His home was Whitfield Street, Quarry Bay, and he leaves a widow and one child with whom much sympathy will be felt.

Deceased had been a keen sportsman and a cox of some standing.

A SUGGESTION.

A reader, who signs himself "An old China hand who knows Chinese methods," makes the following suggestions:—If the following was acted upon at once then the Government would be issuing the right stuff to finish the strike.

(1) Fine all householders in whose houses strikers are being lodged or kept.

(2) Fine all landlords whose houses are being used for feeding and lodging strikers even to the confiscation of the houses in bad cases.

COUNTY CRICKET.

"HAT TRICK" BY RIVAL
BOWLERS.

LATEST RESULTS.

Of primary interest in the county cricket results which have just arrived is the fact that bowlers on opposite sides each accomplished the "hat trick."

Both the successful bowlers are professionals. One is Wright of Kent and the other is called by Reuter merely as "Cook." References to Wisden and other handbooks failed to establish this man's identity. Accordingly it may be assumed that the Cook referred to is the L. Cook who was till recently a Lancashire fast bowler. He did not turn out for Lancashire in first-class county matches last year, making way, ostensibly, for Macdonald, the Australian. This same Cook may have a birth qualification for Warwickshire and may have deserted the Red Rose for that county.

Two "Hat Tricks."

(Reuter's Service.)

London, July 7.
At Tunbridge Wells, Kent beat Warwickshire by eight wickets.

Scores:—
Kent 312 runs; Collins, G. C. made 63, Ashdown, W. 60, C. P. Johnstone (Rugby and Camb. Univ. 1919-20) contributed 64. Woolley, F. E. 87 not out; Cook took 5 wickets for 22 runs and performed the "hat trick."

Warwick 137 runs; Freeman, A. P. took 5 wickets for 46 runs and Woolley, F. E., 4 for 69. Warwick (followed-on) 209; Wright, C. took 4 wickets for 11 runs and also performed the "hat trick" (taking three wickets with successive balls in the same over).

[Kent won the first match away.]

Northants 190; W. W. Timms made 74, J. W. H. T. Douglas took 6 wickets for 52 runs and Nicholls, S., 5 for 63.

Essex 211 runs for 6 wickets declared; Russell made 78 and O'Connor, J., made 67.

Northants 96; L. C. Eastman took 4 wickets for 34 runs and G. R. Brown 3 for 16.

[In the first fixture between these two, Northants won away and now Essex have obtained their revenge.]

Notts At Trent Bridge.

At Trent Bridge, Nottingham, Notts beat Glamorgan by 317 runs. Scores:—

Notts 246 runs; Gunn, G., made

GLASGOW FIRE.

EXHIBITION CENTRE
DESTROYED.

£250,000 DAMAGES.

(Reuter's Service.)

London, July 7.

A great fire at Glasgow completely destroyed the extensive exhibition centre, Kelvin Hall Church belonging to Kelvingrove United Free Congregation, while the whole of Blantyre Street was involved.

The Corporation Art Galleries and Finnieston Church were only saved through the wind blowing in an opposite direction.

No lives were lost.

The damage is estimated at £250,000.

INDIA'S PROBLEMS.

BRITAIN'S HELPFUL
ATTITUDE.

THE PATH TO REFORM.

(Reuter's Service.)

London, June 7.

Lord Birkenhead (Secretary for India) made an important statement in the House of Lords in regard to his conferences with the Viceroy (Earl Reading) on the Indian problem.

He stated that no decision would be taken before the government of India Legislative Assembly had been consulted. The Government would not be diverted from its high obligations to India by tactics of restless impatience.

The door to acceleration of the reforms would not open to menace, still less would it be stormed by violence; but the date of the Royal Commission to review the reforms might be accelerated when responsible Indian leaders gave evidence of a genuine desire to co-operate in making the best of the existing constitution. Any constitution produced by the Government's critics in India backed by a fair measure of general agreement of the peoples of India would be very carefully examined.

SIKH SHRINES.

FRIENDSHIP MANIFESTED
IN BILL.

(Reuter's Service.)

Simla, July 7.

The Punjab Legislative Council unanimously passed the Sikh Shrines Bill.

Sikh Councilors expressed a hope that the friendship of the Government which had resulted in the enactment of the Bill would be unabated.

69, Bates, W., took 4 wickets for 42 runs.

Glamorgan 112 runs; Larwood, H., took 4 wickets for 14 runs.

Notts 368 for 8 wickets declared; Gunn, G., made 68, Whysall, W. W., 85, Lilley, B., 62 and Walker, W., 115 not out.

Glamorgan 185; Barratt, F., took 4 wickets for 58 runs.

Derby v. Leicester.

At Derby, Derbyshire led Leicestershire on the first innings. Scores:—

Derby 294; Townsend, L., made 59, Bowden, J., 55, G. R. Jackson 110.

Leicester 284; Major G. H. S. Fowke made (7), Smith took 5 wickets for 65 runs.

Derby 152 for 9 wickets declared; Skelding, A., took 8 wickets for 54 runs and Bale, F., 3 for 12.

Leicester 60 for 9 wickets; Bestwick, W., took 7 wickets for 20 runs.

**ZAM-BUK Removes
ACHES & PAINS**

In addition to its marvellous healing value in diseases and injuries affecting the skin, Zam-Buk brings the greatest relief to swollen aching limbs racked with the tortures of muscular rheumatism, sciatica or lumbago.

Again, this herbal Zam-Buk is superior to poisonous liniments for sprains and strains, aching backs, stiff joints and neuralgic pains.

As you rub Zam-Buk in, it penetrates right down to the seat of the soreness, banishing pain, congestion and inflammation in a surprising way. Muscles and fibrous tissues are strengthened by Zam-Buk. It makes them better able to resist the evils of cold and damp.

NAVAL COMMANDER'S TRIBUTE.

By Lord, Commander H. J. Stirling, R.N., of Hongkong, Hongkong, says:—"As a result of sailing with Zam-Buk, I suffered from some serious pains. These pains were so severe that I was unable to get on my feet. I was like a man being run over by a steamroller. I applied Zam-Buk and rubbed it well into my aching muscles. This and balm brought immediate relief. I was able to get on my feet and all pains and stiffness."

Obtainable in handy boxes of chemists and dispensaries in Hongkong, Shanghai, etc. Direct from agents: Messrs. Whitefield & Co., (China) Ltd., Seretown Road, Shanghai.

CORRESPONDENCE.

POLICE PLEASE NOTE.

(To the Editor of the China Mail).

Sir,—Some people do not care one way or the other whether the remaining river boats continue operations or not. Others do care. There are yet others who, by virtue of long contact with the crews, are able to throw light on one aspect of the trouble as the men concerned themselves are far too much scared to do anything.

So-called delegates from the Strike Executive are calling on the No. 1's of the crews. On introduction they take considerable pains to explain that they are volunteers, duly empowered by the Executive, the members of the latter having had to make themselves scarce. I have recognised one or two of these "volunteers" as former No. 1's on river and coastal shipping. As they are out of work themselves they are anxious to see all colleagues idle. After a brief harangue on national honour, they emphasise the claim that if all shipping was to cease the trouble would soon be over. As is characteristic of the Chinese worker, the men approached put off the agitators by promising that if vital lines shut down, they will also stop themselves. In this manner, one has been waiting for the other and the service has continued till now. If a visit were paid to the ships an hour or two after arrival at the wharves here some of these "volunteer" delegates could be seen actually making their daily rounds.

To those who have been approached I would say that it is difficult to see how the situation up North can be affected by making the shipping stoppage an entire one.

Thanking you for inserting this letter,

Yours, etc.,

OLD HAND.

Hongkong, July 8.

STRIKE ITEMS.

(To the Editor of the China Mail).

Sir,—Perhaps the thought may have struck others on the suggestion I am about to make has already been put into actual practice. With regard to the letter published in your issue of yesterday, from "An American Friend," I beg to propose, with all deference, that the Government have the letter translated and re-published (1) in the vernacular papers which are still being issued and (2) as circulars as was the case with a speech of Mr. D. Lloyd George at a critical period of the last war. Such publication may do a great deal to counteract pernicious propaganda from sources beyond the control of the Colony.

About the question of reward for arrests and/or convictions of agitators. There are some of us who may think twice about performing a public duty because a wrong impression may be gained, viz., that of going after the monetary reward. Such people would consider a medal or other tangible remembrance a much more suitable reward.

Yours, etc.,

APPEALING.

Hongkong, July 7.

WORLD'S SHIPS.

(Reuter's Service.)

London, July 7. Lloyd's Register shows the world's shipping to be 64,641,000 tons compared with 64,923,000 in June of last year and 42,514,000 tons in 1914. Britain's shares respectively being 19,304,000 tons and 15,554,000 tons. The United States tonnage has decreased by 579,000 tons.

The world's sailing tonnage has fallen by 1,718,000 tons since before the war to 1,611,000 tons, of which 659,000 are owned by the United States.

The British Dominions steel and iron tonnage is 2,230,000 an increase of 829,000. Germany 2,093,000, a decrease of 2,105,000; the United States 11,005,000, an increase of 9,768,000; Holland 2,585,000, an increase of 1,114,000; Japan 3,741,000, an increase of 2,009,000—all since 1914.

THE S.S. SOUDAN.

The P. & O. s.s. Soudan left Singapore for this port on July 6, at 6 a.m., and is due here on July 11, at about 5 p.m.

Choyenne, July 7.—The Federal Judge, Mr. Kennedy, has denied the motion of the Government's counsel for a rehearing of the Teapot Dome lease annulment and has dismissed the suit against the Mammoth Oil Company. Counsel sought to reopen the case to present additional testimony regarding the alleged transfer of Liberty Bonds from the Continental Trading Company of Canada to the Ex-Secretary of the Interior, Mr. Fall, and to have the depositions from Toronto filed therewith.—Reuter's American Service.

HELD UP.

INCIDENTS AT SHANGHAI.

(Reuter's Service.)

Shanghai, July 7.

The shipping situation remains the same and the concentrated intimidation of the last few days resulted in a number of tramway-men failing to turn up this morning, but the Tramway Company is determined to carry on. Specials guarded the trams to-day. There was no incident. Otherwise, however, the situation is quiet, though forty thousand are out of work due to the cutting off of the bulk of the power supply of electricity. In many cases resumption is believed to be taking place owing to the inadequate dole which is being given out.

Shanghai, July 6.

The bulk of the power supply of electricity has been discontinued. A number of mills are installing their own motors.

Agitators are taking advantage of the discontinuance of the electricity supply and are furthering unrest, but no serious trouble has occurred.

The intimidation of tramway-men is being carried on without abatement. Last evening, a crowd of a hundred, including a number of former tramway-men, held up a car conveying thirty tramway fitters from the repair shops. They forced the fitters to accompany them to Chinese territory.

About half the telephone operators have resumed work.

The body of an American member of the crew of the s.s. President Pierce has been found in a creek, whilst a British blue-jacket has been missing for sixty hours and has not yet been found.

At the inquest on the man who was shot by the American seaman Dizik, it was stated that the deceased was shot by the sailor when the latter was protecting a Municipal officer. Two men who were arrested were charged at the Mixed Court, one for inciting to riot and the other for firing crackers. The first was remanded on bail, and the other nominally fined.

The Japanese community is raising subscriptions for the purpose of making a presentation to the Volunteers and naval landing parties in recognition of their services. So far, nearly ten thousand dollars have been subscribed.

Chungking Unrest.

Shanghai, July 7.

A wireless message from Chungking, dated July 6, says the Japanese concession was surrounded by a crowd all day long. The Japanese Consul considers that a collision is likely. The authorities have not taken effective action.

Reports from Hoikow and Pakhoi say Chinese gunboats are expected to arrive shortly. Ningpo is reported quiet. The local authorities are prepared to provide protection.

Dossier Trial.

Shanghai, July 7.

The Mixed Court dismissed three of the four charges against Dossier who was allowed bail on Tls. 20,000 security (which the Soviet Trade Mission is alleged to be furnishing).

Dossier was remanded for a week. All charges against his wife were dismissed. The remaining charge against Dossier is that he made preparations to openly incite disorder.

The Court dismissed the charge that accused was making preparations to commit a hostile act against certain foreign states, because the text of an article in the Chinese Criminal Code, wherein the charge was based, meant "declare war" and not "hostile act." Two other charges were dismissed as they rested upon the above mentioned charge.

Diplomatic Halt.

Peking, July 7.

It is admitted in Legation circles that negotiations with the Chinese, with regard to Shanghai are at present at a standstill, but the opinion prevails that Mr. MacMurray's arrival will probably produce development in a day or two.

(Mr. MacMurray is the newly appointed U.S. Minister to China who has left Shanghai and arrived yesterday at Tientsin).

MINES BILL.

REJECTED BY CAPE SENATE.

(Reuter's Service.)

Cape Town, July 7.

The Senate, by 17 votes to 12, rejected the Mines Works Bill.

LARGE ESTATE.

LATE M. J. D. STEPHENS' REQUESTS.

Apart from comparatively small bequests, the bulk of the six million dollar estate of the late Mr. M. J. D. Stephens (probate for which has just been granted) is to be invested for the benefit of the widow and on her death to be held in trust in equal shares for Gladys Stephens and Edward Stephens, the daughter and son of his brother Adolphus Frederick William Stephens, solicitor of Chatham, and for Montie or Montague Eyre and Ethel Eyre, second son and daughter of his sister Alice Maud Eyre, formerly of Dover, Kent, or in the event of their deaths preceding testator's, then to their issue.

In addition to the general bequest, testator left to his wife the dwelling house occupied by him at the time of his death and all the effects therein and £1,000 free of duty if she be in Europe at the time of his death or £10,000 if she be in Hongkong.

To his sister Henrietta Bertha Stephens of Chatham he left Chinese and Japanese curios and pictures.

To Edward Stephens, nephew, of Chatham, his collection of postage stamps.

To Mrs. Jane Kettle, widow, of Worthing £500, to Mrs. Beatrice Shoppee, 21, Buckingham Palace Gardens, £500.

To his clerk Wong Ping, Hongkong \$500; to his clerk Lee Man-poo, of Hongkong, \$500; to his office attendant Ah Lok, of Hongkong \$2,000, and to the watchman for the time being of 18 Bank Buildings, Hongkong, \$200.

To his step-daughter Catherine Mabel Horsnail, of Moncton, he left "Furze Croft" at St. Leonards on Sea, Sussex, with £1,000 and certain curios.

The testator also left \$10,000 to the Vicar Apostolic of the Roman Catholic Church Hongkong, and to his successors for the time being holding office, as a fund for providing pensions for poor and old persons in the Colony.

He bequeathed the land and buildings known and registered at the Land Office Hongkong as lot 647 to his wife for life, and, in the event of her death or second marriage, to the Reverend Mother Teresa Martiniola, the Superioress of the Italian Convent at 23 Caine Road, and Natalia Corpore, the vice-Superioress and Theodore Lucian, late Superioress, for the residue of the Crown lease term.

THE PARADE.

The naval, military, and Volunteer units made a brave show as they paraded the streets yesterday afternoon.

The regular naval and military units marched through the West Point district and the Hongkong Volunteer Defence Corps through the Wanchai and Causeway Bay district.

The Hongkong Volunteer Defence Corps were at full strength, less the Reserve Company out on patrol and guard duties.

In the intervals, while "standing by," all the members of the St. John Ambulance Brigade are engaged in public service, some in the Post Office, others at the Fire Brigade Station with the Motor Ambulances, etc., while others again are prepared for special sanitary service under the Sanitary Department. Arrangements made apply to both Hongkong and Kowloon.

Miss Helen Parkhurst, head of the Children's University School in New York City, and internationally known as the organiser and director of the Dalton Plan of primary and secondary school education, methods has been invited by the National Association for the Advancement of Education in China, to visit that country this summer and aid in the extension of her system in the Chinese schools.

Hongkong, 7th July, 1925.

THE HONGKONG & WHAMPOA DOCK COMPANY, LIMITED.

Prince Olaf of Norway, who is
an undergraduate at Balliol, has
been spending a few days at
Buckingham Palace with the
King and Queen. The young
Prince has inherited the high
spirits and many of the manner-
isms of his mother, Queen Maud,
who, in her English Princess
days, was known as "the Royal
Tomboy." Prince Olaf is very
popular with his English rela-
tives, and matchmaking
rumourists have already sug-
gested the possibility of his wedding
an English bride. At Oxford
Norway's Crown Prince is known
as a good sportsman. He recent-
ly set a river fashion for men by
wearing a gaily-coloured printed
silk handkerchief folded bandeau-
wise round his brow while row-
ing.

It was obvious to those who
accompanied H.R.H. Prince
George during his brief stay in
Ceylon that he enjoyed every
minute he was ashore. He was
charmed by the scenery which
unfolds itself on the journey to
Kandy, and frequently he com-
mented on its beauty. The in-
habitants of a number of villages
turned out to see the Prince, lining
the road as the Royal car passed.
Kandy was reached at 1.30 p.m.,
and the party proceeded to the
King's Pavilion, where they were
received by the Acting Governor,
the Hon. Mr. Cecil Clementi and
Mrs. Clementi, who had arrived
from Nuwara Eliya the previous
evening. Accompanying His
Royal Highness were Major

Brooke is a son of the former
Rajah of Sarawak and a brother
